

DARREN TOOT

HOME COMFORT ADVISOR

Years of HVAC Experience: 26

Darren and his wife Kari have been happily married for over 20 years. They live in the Nevada area where they have raised their three children and have worked for years in the family farming operation. Darren started in the HVAC business as an installer working his way up to a master craftsman in sheet metal fabrication. He has also managed the commercial division which specializes in multi-family homes and small commercial spaces. When Darren isn't working, he enjoys hunting of all kinds, raising show pigs and spending time with his family. Through the years, Darren's dedication and hands on experience make him a trusted advisor in the HVAC industry. Darren has first hand knowledge of the products which ensures that our clients receive a personalized solution tailored to their needs.

As the Neighbor you can count on his promise is to:

- Provide you with top-tier options to ensure your HVAC needs are met with precision and excellence.
- Ensure proper sizing of new equipment with a load calculation for your home.
- Follow-up with you post install to make sure our whole team delivered the exceptional service and craftsmanship that we all expect.
